### **Special Message about drop-off and pick-up at Deephaven.**

Our capacity to manage vehicles is maxed out many times during the a.m. drop-off time. To address this challenge, we need everyone to help. Here are ways you can help us improve the situation.

1. Have your child ride the school bus.
2. Set up a carpool with your neighbors/friends.
3. Arrive at school between 7:30-7:40 a.m.

Additional ways to help the process move quicker include:

1. Be mindful of the people waiting behind you and say a quick good-bye.
2. Refrain from driving next to your child and talking to them as they walk along the sidewalk. Please pull away to make room for other cars.
3. Remain in the line. Do not park and walk your child across the driveway. We have had several near misses.

**By working together, we can improve the experience for everyone. Thank you.**

**Volunteer at Deephaven** - Deephaven is one of Minnesota's best elementary schools in the state, in part to the many volunteer hours put in each year at our school. Volunteering is a great way to feel connected to your child's school and to show your child that you value their education. Please check out this week's DEVO (Deephaven Elementary Volunteer Opportunities) and review the volunteer opportunities currently available. Every parent is welcome and encouraged to volunteer at least once each year. Sign up today for your volunteer experience. We would be grateful!

**My Stop** is a web-based application available for all Minnetonka parents whose children ride the bus. It allows you to view the current location of your child's bus and it will tell you the time the bus will arrive at your bus stop. You may access the My Stop application by using a smartphone, tablet, or computer. It is powered by GPS transmission from the bus and your screen will update every one to two minutes.
