

# A Closer Look at Community and Technical Colleges

October 14 and 15, 2019

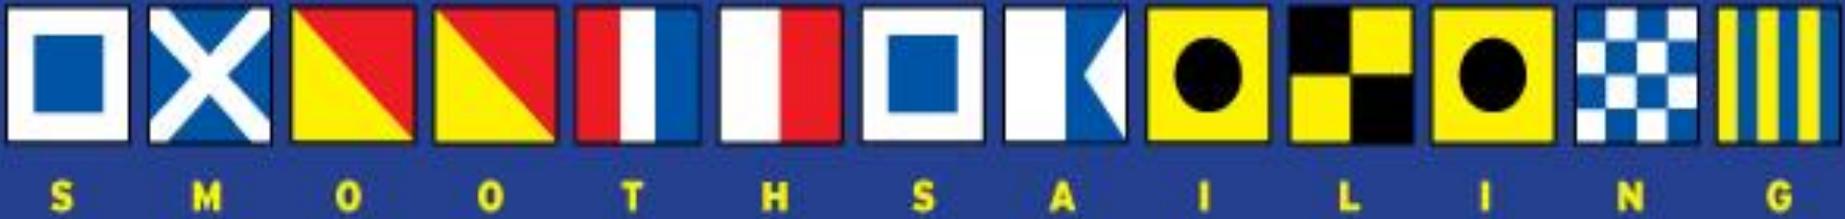

## An Overview of this presentation

- Reasons for selecting a community college and/or a technical college
- Profile from Minnetonka High School
- Sampling of a few institutions
- Finding the right match
- A closer look – in review!

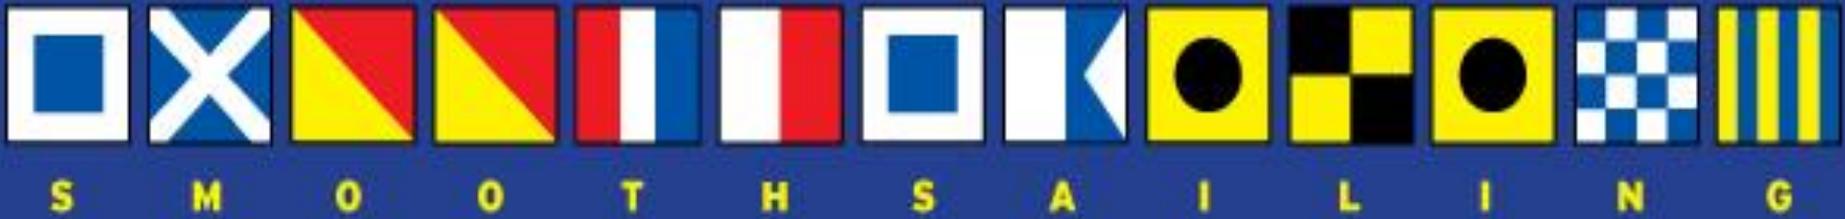

## Reasons for selecting a community college

- Low cost – tuitions range from \$3,500 to \$6,200
- Stay local – most students choose a school within 30 minutes of home
- Wide curriculum, with chance to take general education courses, in addition to specialized courses
- Begin to build a college gpa, in preparation to transfer to a 4-year college or university.
- Live at home. Work your job. Stay close to family and friends. Continue to grow and mature.
- For the undecided student, a chance to explore options.

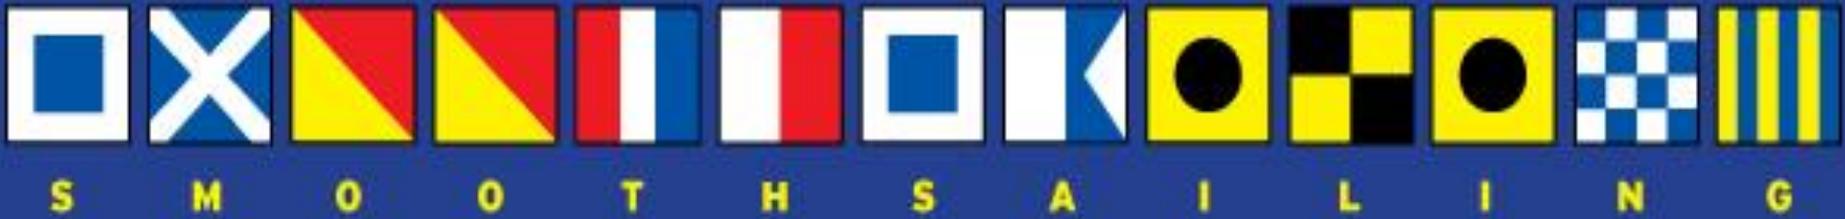

## Reasons for selecting a technical college

- Low cost – tuitions range from \$2,400 to \$5,800
- Stay local – most students choose a school within 30 minutes of home
- Specialized curriculum, with a focus on career preparation. No distribution requirements!
- Live at home. Work your job. Stay close to family and friends. Continue to grow and mature.
- On the job training and opportunities for internships.
- Finish your degree in one year or two!

  - Automotive Technology

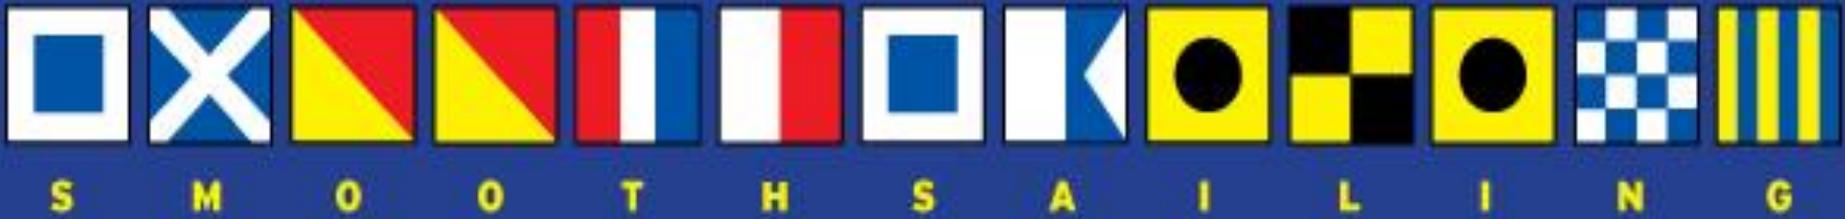

## Hennepin Technical College (cont.)

- Admission requirements
  - High school diploma
  - No minimum gpa
  - No required testing (no ACT score requirement)
  - Open admission for all those who will graduate from high school

## A Closer Look: Let's Review!

- Open admission, with no ACT test requirement
- Affordable and, in many cases, close to home
- Great opportunity to transfer to 4 yr. college, based on academic work at the community college. Transfer center at [www.MinnState.edu](http://www.MinnState.edu)
- Career oriented at a technical college – a chance to gain relevant experience and job skills

## The college search – it's all about finding the fit!

- Our pledge – to help each student find the best match possible for their post-secondary experience!
- Students considering a community college and/or a technical institute will select their institution based on fit – and finding the right match!
